

Cookie Policy

This notice was last updated on: 16th June 2023 and is version 2

We use cookies and other related technologies within our website, which are stored by your browser on your device. Below we provide some further information about the use of cookies on our website.

What's a Cookie?

Cookies are small files that are sent along with the webpages of the website and are stored onto your device via your web browser (such as Chrome, Safari or Edge). These files are often used to help facilitate the functionality of the website, as well as providing other features for personalisation, including marketing.

Further information

Types of Cookies There are several types of cookies that can be used within a website. We detail our cookies further below, but it is useful to understand the types of cookies being used. Also, Cookies may be placed by Us, or one of the third parties we work with to provide our website.

Necessary Cookies (aka Functional) These Cookies are required to ensure our website functions as expected.

Analytical Cookies Are used to help optimise our website and better the experience for our visitors.

Marketing Cookies We may use some marketing Cookies to aid in promoting our website and it's services through tracked activities.

How can I block Cookies? You can block cookies by activating a setting on your browser allowing you to refuse the setting of cookies. You can also delete cookies through your browser settings. If you use your browser settings to disable, reject, or block cookies

(including essential cookies), certain parts of our website will not function fully. In some cases, our website may not be accessible at all.

Third Party Cookies Please note that where third parties use Cookies we have no control over how those third parties use those cookies.
